

ISA 2000 LTD. SOCIAL RESPONSIBILITY POLICY

The management of ISA 2000 Ltd. responsibly declares its social responsibility policy, which is effectively documented, implemented, maintained, communicated and fully accessible to all staff and all external stakeholders, institutions, society.

The strategic goal of the company is to achieve sustainable long-term profitability. Management is convinced that this goal can only be achieved by meeting the requirements of SA8000®: 2008 and is committed to:

- Comply with national and international regulations on social responsibility and the SA8000®: 2008 standard.
- To review its policy on a regular basis, taking into account changes in national and international law and continuously improving it.
- To protect the environment, prevent and reduce risks to staff and stakeholders.
- To improve and develop safe working conditions.
- To conduct its business in an honest and ethical manner by applying business practices aimed at preventing corruption, misappropriation and discrimination.
- Establish and implement management practices aimed at upholding fundamental human rights, respecting the different cultures and values of its employees, partners and other stakeholders.
- To improve working and employment conditions, social protection, social dialogue and professionally develop its human resources.
